Members of the Club are earnestly invited to subscribe and to interest their friends in subscribing to these choice seats.

Ralph B. Gatcomb is chairman of the committee in charge of the sale of stadium seat subscriptions.

CONSTITUTION AND BY-LAWS

Article I. Name

Section 1. This organization shall be known as "The West Side Tennis Club."

Article II. Officers and Governors

Section 1. The Officers of this Club shall be a President, Vice-President, Secretary, Treasurer and Captain, who together with eight other members, shall constitute the Board of Governors of the Club. The Board of Governors, exclusive of the Officers, shall be divided into two classes of four members each. The term of office of each class shall be two years, and until their successors are elected. At each annual meeting four members of the Board of Governors, exclusive of the Officers, shall be elected by the Club by ballot to succeed the ones whose terms then expire. The four candidates having the highest number of votes shall be elected, a tie to be decided by lot. When any vacancy shall occur among the Board of Governors, it shall be filled forthwith by election by the Board of Governors, and the person so elected shall hold office until the next annual election by the Club, or until his successor shall be elected by the Club.

Article III. Fiscal Year

Section 1. The fiscal year shall begin on January 1st and end on December 31st.

Article IV. Title to Club Property

Article VI. Duties of Officers

Section 1. The President shall preside at all meetings of the Club and of the Board of Governors. The President and the Secretary shall sign all written contracts and obligations of the Club, authorized by the Club or by the Board of Governors, and

the President shall perform such other duties as the Board of Governors shall assign him. In case of the disability or of the absence of the President, the Vice-President shall perform the President's functions and in the event of disability or absence of both the President and Vice-President, the Board of Governors may by a majority vote of the total membership thereof elect one of the members of the Board to act as President *pro tem* as long as such disability or absence shall continue, or until their successors shall be regularly elected by the Club. The President shall be *ex-officio* a member of all committees, except the Nominating Committee.

SECTION 2. The Treasurer shall collect all entrance fees, dues and revenue and keep the accounts of the Club, and report thereon at each meeting of the Board of Governors. He shall pay all bills when approved by the proper officer or committee having authority from the Board of Governors to make the expenditure. His accounts shall be audited annually by an Auditing Committee and he shall cause a balance sheet to be made, and a copy thereof to be mailed to each member. He shall be a member *ex-officio* of all committees having power to incur financial obligations or make expenditures.

SECTION 3. The Secretary shall give notice of all meetings of the Club and of the Board of Governors, shall keep minutes of such meetings, conduct the correspondence and keep the records of the Club and of the Board of Governors. ARTICLE VII. BOARD OF GOVERNORS

SECTION 1. The Board of Governors shall make the general rules and regulations for the government of the Club, appoint all committees not appointed or elected by the Club and have the entire management of the affairs of the Club, except the voting of initiation fees, dues and assessments which shall be acted upon only by the Club in general meeting assembled.

The Chairman of the Nominating Committee shall be the member thereof having received the highest number of votes at the annual meeting electing such committee, and on failure of such member to serve or in case of a tie vote, then the members of the committee shall proceed to elect a chair-

man by a majority vote of the committee at a meeting of the committee to be called by the Secretary of the Club as soon as practicable after the annual meeting.

SECTION 2. Any twenty or more members of the Club may in like manner prepare and send to the Secretary nominations for the annual election not later than December 1st.

SECTION 3. In the event that any member nominated by the Nominating Committee shall refuse to accept his nomination after notice shall have been given as provided in this article, the Nominating Committee shall immediately fill the vacancy so caused and the Secretary shall promptly notify the members of the Club of the substituted nomination. Members nominated as provided for in this article, and no others, shall be eligible for election.

A junior membership shall automatically expire at the end of the calendar year in which the junior reaches his nineteenth birthday unless otherwise terminated.

ARTICLE XIV.

SECTION 1. Of the classes of members mentioned in Articles XII and XIII hereof, only resident, veteran and life members shall have any interest, equity or claim, in or to the property or assets of the Club.

SECTION 2. A non-resident member may, provided there be a vacancy in the resident membership, transfer, subject to the approval of the Board of Governors, to resident membership, and if the initiation fee of a resident member has not already been paid by him, he shall pay the difference between the initiation fee for resident and non-resident members.

SECTION 3. Any member eligible to life membership as hereinbefore provided may upon application to and approval by the Board of Governors become a life member upon payment of six hundred fifty dollars ($650.00) which shall be in lieu of any further annual dues.

SECTION 4. Any person who has been a resident member of the Club for at least fifteen consecutive years and who has reached the age of fifty years, may apply to the Board of Governors for veteran membership. Veteran members shall qualify by paying dues of forty dollars ($40.00) on February 1st of each year.

SECTION 5. Any junior member who upon reaching the age limit for junior membership, applies for membership in another class, shall be subject to the same requirements as a new member, except that his application shall be given preference over others.

ARTICLE XVII. LEAVE OF ABSENCE AND REINSTATEMENT

SECTION 1. No leave of absence, without payment of dues, shall be granted to any member of the Club, except that the Board of Governors may, upon application of a member, and in its discretion, remit in whole or in part the annual dues of any member who shall enter the military, naval or other service of the United States or its Allies in time of war, and who by reason of such service is unable to use the privileges of the Club.

SECTION 2. Any member having resigned or forfeited his membership who again applies for membership must be regularly proposed and balloted for, and if elected shall be subject to the same initiation fee as a new member, unless the Board of Governors shall deem it proper to reinstate him, in which case the initiation fee may be waived, subject however to all the conditions and provisions of Section 3 of this Article.

SECTION 3. Any person having been a resident or life member and having ceased such membership for any reason except expulsion or suspension, may after approval by the Membership Committee, be reinstated by the Board of Governors upon a two-thirds vote of the full membership thereof, provided, first, that

when such person shall have ceased membership, he shall have been in good standing for five consecutive years; secondly, that the time of ceasing membership shall not have been more than two years previous to his application for reinstatement, and thirdly, that such member shall pay non-resident dues for the entire period between the termination of his membership and the date of his reinstatement.

Article XVIII. Election to Membership and Expulsion

Section 1. Each candidate for membership must be proposed in writing by one member and seconded by another, each of whom shall certify that the candidate is personally known to him or her, and shall vouch for the candidate's good character. No candidate's name shall be considered until letters have been received from both his proposer and his seconder, stating in full the candidate's qualifications, college, clubs, etc. Candidates for resident membership must be proposed and seconded by resident or life members.

Section 2. A member proposing a candidate for membership shall do so on a proposal blank supplied by the Club, which must be signed personally by the proposer and by the seconder. Neither the proposer nor seconder may be a member of the Membership Committee.

Section 3. The name and address of each candidate must be submitted to the Membership Committee and be conspicuously posted on the Club's bulletin board, together with the names of the proposer and seconder, for at least ten days prior to any action thereon by the Board of Governors; but such posting may be dispensed with between the 1st day of December and the 15th day of April.

Section 4. Men candidates must be personally acquainted with at least two members of the Membership Committee before being passed upon by that body, and in addition, must be personally acquainted with at least one member of the Board of Governors before being balloted for. Women candidates before consideration by the Membership Committee must be personally known to one member of the Board of Governors, and have the recommendation of the Women's Advisory Committee.

Section 5. The names of all candidates who have complied with the foregoing provisions and who are favorably reported on by the Membership Committee shall be submitted to the Board of Governors, for its action, and said Board of Governors shall use its discretion in considering such applications. Two votes adverse to election shall exclude from any class of membership except where the Membership Committee is not unanimous in its endorsement, in which case one adverse vote shall exclude.

SECTION 6. All candidates for membership in the Club shall be passed upon by the Board of Governors, in chronological order according to the dates of the receipt of their proposals. But the Board may suspend the provisions of this section by the unanimous vote of the members present at any meeting, in the case of any person whom it deems advisable for the best interests of the Club, to consider out of the regular order.

SECTION 7. If any member shall be charged by any other member, in a written communication addressed to the President, Secretary or Board of Governors, with conduct injurious to the good order, peace or interests of the Club, or at variance with its Constitution, the Board of Governors shall inform him thereof in writing, furnishing him with a copy of such charge and giving him at least ten days' notice to attend before the Board in answer thereto. And if, upon inquiry and hearing, two-thirds of the Board of Governors present at the meeting shall be satisfied of the truth of the charge, they may censure or suspend him; or, if in their judgment the interests of the Club demand such action, they shall ask him to resign, and upon his failing to do so within ten days, they shall expel him.

ARTICLE XIX. INITIATION FEES AND ANNUAL DUES

SECTION 1. Each candidate for admission to the Club, upon receiving notice of election, shall pay the initiation fee in one sum or in installments as hereinafter authorized. Candidates elected on or prior to August 1st shall pay dues for the current year. Candidates elected subsequent to August 1st shall pay one-half of the total annual dues, except that candidates elected subsequent to November 1st shall be exempt from the payment of any dues for the current year. Payment of the initiation fees and dues, as above provided, shall be deemed to be an acceptance of membership, and an agreement to be bound by the Constitution and by-laws of the Club.

SECTION 2. If any candidate shall not qualify within one month from the time that a notice of his election shall have been mailed him, such election shall be null and void.

SECTION 3. The initiation fee shall be as follows:

Resident Members—	Class A	$100.00
	Class B	50.00
Women Members—	Class A	40.00
	Class B	20.00

SECTION 4. An applicant for resident membership, class A, may pay his initiation fee in four installments of twenty-five dollars ($25.00) each, the first installment to be paid upon receiving

notice of election and the remaining installments every six months thereafter until the fee is paid in full. An applicant for resident membership, class B, or for women membership, class A, may pay the initiation fee in two equal installments, the first installment upon receiving notice of election and the second installment on or before March 1st of the succeeding year.

The Board of Governors may drop from membership any member failing to pay a deferred installment when due.

SECTION 5. The annual dues shall be as follows:

Resident Members—Class A	$65.00
Class B	40.00
Women Members—Class A	45.00
Class B	30.00
Non-resident	25.00

Army and Navy—while stationed within the Greater City of New York or within fifty miles thereof, $40.00; otherwise, $10.00. In the first instance the dues shall be billed in accordance with the place where the officer is stationed on February 1st. In the case of change of station during the year, the dues shall be prorated and adjustments shall be billed or credited as the case may be on July 1st and October 1st.

Veteran	$40.00
Non-Playing	20.00
Juniors	25.00

SECTION 6. Honorary members shall be exempt from the payment of initiation fees and annual dues. Life members shall be exempt from all annual dues after qualification, as hereinbefore provided.

SECTION 7. Unless otherwise authorized by a two-thirds vote of the full membership of the Board of Governors, dues shall be paid as follows:

Resident Members—

Class A—$40.00 on February 1st and $25.00 on July 1st.
Class B—$20.00 on February 1st and $20.00 on July 1st.

Women Members—

Non-Resident—$25.00 on February 1st.

Army and Navy—Where the annual dues are $40.00, $20.00 shall be paid on February 1st and $20.00 on July 1st. Where the annual dues are $10.00, the same shall be paid on February 1st. Adjustments shall be billed or credited as the case may be on July 1st and October 1st.

Veteran—$40.00 on February 1st.

Non-Playing—$20.00 on February 1st.

Juniors—$25.00 on February 1st.

SECTION 8. In the case of dues required to be paid in two installments, members shall be notified of the amount due not later than February 1st and July 1st of each year. Members who have not paid their dues or, in the case of members entitled to pay in installments, the first installment thereof, by March 1st, shall be notified that they will be dropped from membership unless payment is made by April 1st. Members who have not paid the second installment of their dues by August 1st shall be notified that they will be dropped from membership unless paid by September 1st.

Members who have not paid their dues by April 1st or September 1st respectively, shall be deemed dropped from membership of the Club without further action by the Board of Governors, but the Board of Governors may, by a two-thirds vote, if proved to their satisfaction that the failure to make such payment by the above-mentioned dates was excusable, reinstate such members upon payment of such dues.

Notwithstanding the foregoing provisions of this section, the Board of Governors by a two-thirds vote of the entire membership thereof, may for any year adopt such regulations as they may deem advisable in view of the then existing business and financial conditions for the payment of dues in installments.

SECTION 9. In the case of any member whose dues are payable in one installment, no resignation without the payment of the entire dues for the current year shall be entertained after March 1st, except by unanimous vote of the Board of Governors. In the case of resident and women members, no resignation, without the payment of the first installment of dues for the current year, shall be entertained after March 1st and before July 1st, and no resignation, without the payment of the entire dues for the current year, shall be entertained after July 1st, except by unanimous vote of the Board of Governors.

ARTICLE XX. HOUSE ACCOUNT

SECTION 1. With the exception of initiation fees and annual dues, all bills shall be rendered monthly or bi-monthly by the Treasurer, at his option.

Before leaving the Club House, members shall sign a memorandum for any indebtedness incurred.

SECTION 2. The name of any member whose indebtedness to the Club, excepting initiation fees and annual dues, is not paid

within fifteen days after a bill therefor has been rendered, shall be posted, together with the amount due, on a sheet on the bulletin board, and in the case of women members, in the women's room. If the indebtedness of any member is not paid within thirty days of the mailing of the bill, such member shall be deemed suspended from the Club without further action by the Board of Governors and shall be so notified by the Secretary. Suspended members shall not be permitted to enter the Club House or the Grounds. If the indebtedness of any such suspended member is not paid at or before the next meeting of the Board of Governors, the Board may proceed to drop such member from the Club.

SECTION 3. Any member dropped pursuant to this Article may, within thirty days from date of mailing of notice thereof, apply in writing to the Board of Governors for reinstatement, and such Board may, upon sufficient showing, by a two-thirds vote of the members present, and upon payment of all indebtedness, reinstate such member.

ARTICLE XXI. CONDUCT OF EMPLOYEES

SECTION 1. No employee of the Club shall be permitted to sell any article to a member upon the premises of the Club, except upon authorization by the Board of Governors. No gratuity may be given by a member to any employee of the Club.

No employee of the Club, with the exception of the Assistant Secretary and Treasurer, and any other person designated by the Board of Governors, shall be permitted to receive from a member any money due the Club.

ARTICLE XXII. AMENDMENTS TO THE CONSTITUTION

This Constitution may be amended by a two-thirds vote of the members present in person or by proxy at any annual or special meeting of the Club, provided that two weeks prior to such meeting, notice of the proposed amendment and a copy of the same shall be sent to each member of the Club. Upon written request of a majority of the Board of Governors or of at least ten per cent. of the members of the Club possessing voting rights, the Secretary shall cause a notice to be given as required above, provided that such request is delivered to the Secretary, at least five days prior to the last day on which said notice may be legally sent out within the provisions of this Article.

GROUNDS AND HOUSE RULES

1. The property of the Club shall be under the supervision of the Board of Governors acting through the Captain regarding the Grounds and the House Committee regarding the House. Complaints or suggestions should be made in writing and addressed to the Secretary.

2. The privileges of the house and grounds may be extended for two weeks to non-residents and to applicants for membership whose applications have been received by the Chairman of the Membership Committee. Guest cards may be obtained only upon written application of a member, upon a form provided for that purpose and upon the conditions set forth thereon. A charge of five dollars ($5.00) will be made for each card and members will be held responsible for Club debts incurred by their guests. Cards may be signed by any officer, except in the case of applicants for membership, in which case they must be signed by the Chairman of the Membership Committee.

3. Guests may be admitted to the club house or grounds only if accompanied by a member, but Junior members may not introduce guests.

Guests who do not hold guest cards may play only once in two weeks on the days specified below:

(a) On any week day except Saturdays, Sundays and holidays on any open court.

(b) On any day during July and August on any open court.

(c) If grass courts are open, guests may play on Saturdays, Sundays and holidays, but may use clay courts only.

No guest shall be permitted on the courts until registered in the guest book and a charge slip is signed by the introducing member.

A charge of two dollars shall be made for each guest who plays on Saturdays, Sundays or holidays. The charge at other times shall be one dollar.

4. The net flag shall be raised on each court at the beginning of the third set and shall remain flying thereafter until new players take the court.

5. When all courts are occupied players shall, upon request, vacate their court at the end of the third set.

6. When all courts are occupied, singles on a doubles court shall, upon request, form doubles with waiting players or vacate the court.

7. Doubles shall have choice of courts over singles and may at any time displace them if there is a vacant singles court.

8. Rules 5, 6 and 7 shall apply to turf courts whether or not there are vacant hard courts.

9. No court shall be held or reserved for any player or players, except as set forth in rules 10 and 11.

10. Courts Nos. 18, 19, 20, 21, 22 and 26-A are hereby designated as Junior Courts, and are set aside by the Captain for the use of Juniors. No other courts shall be used by Juniors without the Captain's permission (except as provided in Rules 10-A, 10-B and 10-C), nor shall Junior Courts be used by Juniors to the exclusion of other players if all other courts are occupied.

10-A. Juniors may play with club members other than Juniors on clay courts other than Junior courts, but such Senior-Junior combinations shall give way immediately to players other than Juniors if requested to do so. (The purpose of this rule is to make the most desirable courts available at all times for players other than Juniors).

10-B. Juniors may use the clay courts to the north of the club house in the forenoon of week days other than holidays.

10-C. The first six ranking Junior boys and the first six ranking Junior girls may use any vacant court either grass or clay. They shall, however, immediately vacate such court upon request of any member of another class.

11. The Captain may reserve courts for tournament play and team matches and in other cases where in his judgment circumstances justify such reservations.

12. All players shall wear tennis shoes without heels, spikes or pegs.

13. Play shall be governed by the rules of the United States Lawn Tennis Association.

14. The Club will not be responsible for loss of valuables, clothing or other property from lockers or elsewhere in or about the grounds or house. Upon request valuables will be placed in the safe by the Steward at the risk of the owner.

15. Members will observe the Club custom of not appearing in the dining room for meals dressed in wet or soiled tennis clothes, and men members will wear coats when dining in the Club House.

16. Lockers may be had upon application to the Steward.

17. Children under ten years of age shall not be admitted to the grounds or house.

18. Dogs shall not be allowed on the grounds or in the house.
